

Born Again

John 3:1-21

Curious Teacher (1-4) - Nicodemus visited Jesus at night to ask some questions after seeing his miracles.

Drawings: Jesus (man & cross) met with a priest (man & hat) to discuss God's kingdom (crown & cloud).

Water & Spirit (5-10) - Jesus said you must be born again to enter heaven. To be "born again" means that you die to your old life of self and sin (water) and live a new life of faith in and friendship with God (Spirit).

Drawings: Jesus explained that we must die to self (water) and be reborn in the Holy Spirit (dove & fire).

Yahweh's Love (11-17) - Nicodemus was confused. Jesus explained that God loved humans so much that he sent the Son of Man to save them from destruction.

Drawings: Jesus explained that God (king & cloud) will shepherd the nations into salvation (staff & cross).

Light & Darkness (18-21) - Everyone has two choices: believe in Jesus and receive eternal salvation, or reject Jesus and remain under God's judgment against evil.

Drawings: The Gospel's (post & flame) two responses: believe (receiving woman) or reject God (hiding man).
