

Jesus' Evidence

John 5:31-47

John Baptizer (31-35) - Jesus said John Baptizer is one of his witnesses. The Pharisees knew John and recognized him as a prophet. John believed in Jesus.

Drawings: John Baptizer (man & water) was a prophet (flame & staff) who worshipped (branch) Jesus as God.

Scriptures & Miracles (36-40) - Jesus' miracles are proof he's from God. The Scriptures are also evidence, for Jesus kept fulfilling prophecies about the Messiah.

Drawings: Jesus' wisdom (scales & crown) and divine power (dove & flame) prove he's the Messiah.

Father Yahweh (41-44) - The leaders rejecting Jesus as Messiah proves that they do not love God or know him. If they really loved God, they would love his Son.

Drawings: Yahweh the Father (speaking king) sent Jesus to save the whole world (earth & stars).

Moses' Messiah (45-47) - Moses wrote about Jesus. The leaders rejecting Jesus means they reject Moses.

Drawings: Moses (man, flame, staff) wrote clearly about the coming Messiah in the Scriptures (scroll).
