

## Miracle Meal

John 6:1-15

**Good Shepherd (1-4)** - A crowd followed Jesus across a lake. They wanted to be near Jesus, because he healed their sick and taught about Yahweh's Kingdom.

Drawings: Jesus (man & cross) was a good leader (staff) who taught about God's Kingdom (flag & crown).

**Generous Boy (5-9)** - Jesus tested his disciples, asking them how they could feed the crowd. It would cost a fortune. One boy offered his fish & bread lunch.

Drawings: A boy (boy) offered his lunch (sack) to the disciples (man & flame) to help feed the crowd.

**Feeding Thousands (10-13)** - Jesus blessed the boy's lunch. The disciples distributed the food, and everyone ate what they wanted: 5,000 men and their families!

Drawings: Jesus multiplied the two fish and five loaves (fish & bread) through the power of the Holy Spirit.

**Obvious Messiah (14-15)** - It was obvious that Jesus was the Promised Messiah. They tried to force Jesus to become their king, but Jesus hid himself from them.

Drawings: The crowds believed (man & faith), but Jesus (man & cross) rejected the kingship (crown).
